Re: Endorsement: MCP-Global initiative Certification Letter

We refer to your letter dated 20th June 2010.

It gives me immense pleasure to write this letter to you on behalf of the people of Gedo and Jubba regions to welcome and endorse the MCP-Global project as an initiative that is to be supportive of the effort of local authority in the areas of rural development. We are persuaded that MCP-Global dual track commercial and social investment opportunities can help to achieve the goal of poverty alleviation especially in rural communities. This intervention enjoys the support of our office because it has the capability to work collaboratively with and can even kick-start - other initiatives leading to empower community participation.

The cooperation and support of relevant authorities will prove critical for the actualization of your initiative's vision of empowering the local people to take-up the project. We encourage that. We sincerely trust that MCP-Global prospect will have positive effect towards the integrated sustainable community development program.

We hope that the success of MCP-Global will increase interest in the struggling local communities in maximizing efforts to deal with community issues. I encourage you to draft a memorandum of understanding to be signed between MCP-Global And Jubba Trading Co. as your local Partner for smooth operations and creation of a sense of direction for both parties involved in the venture.

Therefore, as of today 28th June 2010, the office of the Ugas of Marehan clan in Bardhare had officially registered MCP-Global as international non governmental NGO having it's offices in Gedo region and any given collaboration and support to MCP-Global activities in Gedo/Jubba regions will be absolutely paramount and highly appreciated.

Thank you in advance for your consideration and for taking the time to learn Gedo and Jubba regions. We sincerely hope that your company will join us in making this initiative a major success in Somalia!

We wish you the best in your good work and look forward to working closely with you. Please keep us informed of your work and experiences.

Kind regards

Ugas Omar Ugas Hirsi
